

Paper Music (2017)

By Inti Figgis-Vizueta

To be played by any who wish in the chosen space

Materials:

Drawing medium(s)

Drawing utensils

Instructions:

- 1) Pick any of the shapes given below and start drawing at your own pace, as small or large, fast or slow, loud or soft, as you wish, repeatedly tracing your shape.
- 2) When you feel done with your chosen shape, choose another you have not yet drawn and begin sketching it. Listen for another peer's drawing speed and match it, making it as loud or as soft as you wish.
- 3) Continue until you have drawn all shapes. Try to not lift your utensil during your process.
- 4) When finished with all shapes, loudly ball up your medium and toss it on the ground. If you can't, throw your utensil on the ground
OR
Restart the process from step 1
- 5) Wait until the last person is finished or, if you feel like it, leave.
